

Living with the heaviness of varicose veins?

## Why?

Our new advanced varicose vein treatments are minimally invasive, performed right here in our office and covered by most insurance, including Medicare. So if you're ready to walk away from the pain, heaviness, swelling and pressure of varicose veins, take a positive step.

Call us today for a physician consultation at 304-793-2574 or visit [www.gvmc.com](http://www.gvmc.com).

G. Roberts, D.O., Cardiologist
